I. POLICY

- 1.1 It is the policy of the Santa Cruz Metropolitan Transit District (Santa Cruz METRO) that older adult persons and persons with disabilities or an individual presenting a Medicare Card, will be charged a discounted fare for transportation on Santa Cruz METRO's fixed route service.
- 1.2 This policy sets forth the criteria that Santa Cruz METRO employees must follow in order to insure that qualified individuals receive the discount that is allowed by this regulation.

II. APPLICABILITY

- 2.1 This policy is applicable to Santa Cruz METRO employees and qualified individuals using the

fixed route service.

- 2.2 The free fare portion of this policy is solely applicable to legally blind individuals using the fixed route service (**Access Card**). There is no charge to obtain the **Access Card**.

There are three ways for such individuals to utilize these benefits: (1) bus operators will allow blind individuals to ride for free without a pass, particularly where an individual's disability is obvious (for example, if service dog is observed guiding an individual who is blind or the person is using a white cane); (2) submittal of a medical certification (*Attachment C*) or other blindness certification; or (3) certification by Santa Cruz METRO staff if obtaining a medical certification is a burden. To be certified by Santa Cruz METRO staff, the customer may schedule an appointment with the Eligibility Coordinator for an assessment and certification. The Eligibility Coordinator will verify the customer's eligibility either: (1) by confirming that the customer is already eligible to use the Discounted Fare Program or Paratransit Service due to legal blindness; or (2) through a short interview and assessment.

- 2.3 Questions regarding certification may be submitted to: customerservice@scmttd.com
